1. Read the passages and write which indirect character trait is shown. Then explain your answer.
  - a) *After class, Deija asked Dana a question, "I'm sorry, Dana, but my little brother was sick and my parents made me stay home and watch him yesterday. Can I see your reading notes?" Dana huffed and rolled her eyes. She replied to Deija, "Uh, I don't know where they are right now."*
  - b) *While playing football with his friends, Evan overthrew the ball and accidentally broke his mom's picture window. Nobody was home, but all of the other boys soon found excuses to leave. When Evan's mom came home, she asked what had happened. Evan looked her in the face and said, "A bird smashed into the window, Mom."*
  - c) *Tevin was in excruciating pain from football practice. He had been getting terrible sleep ever since training started. He could hardly sleep ten minutes before the pain caused him to roll around. His body was telling him to quit the team, but Tevin refused to hear it. He had one goal in mind: to make the team. Tevin wouldn't stop until his body stopped him.*
  - d) *Tim was walking around the store when he bumped into a display of soup cans, knocking them all over. Tim bought two cartons of eggs then got hit by the automatic door on the way out. It almost broke the eggs. Tim let out a sigh of relief. While walking through the parking lot, Tim tripped over the curb and landed on the eggs, getting them all over his shirt.*
  - e) *Kim had a bunch of outfits and accessories. It took her forever to decide which combination might impress Kevin. She called her sister several times for advice. Still, Kim could not decide on the right outfit to wear.*
2. Your best friend – name five character traits your best friend shouldn't have. Explain your choice for each character trait.
